Please read, initial items applicable and sign below

1. Work To Be Done
   I understand that I am having the following work done: Fillings ___ Prophy ___ Extractions ___ Sealant ___ Nitrous Oxide ___ Therapeutic Pulpotomy ___ Stainless Steel Crowns ____SRP's ___ Other ____________
   1. initial___
2. Drugs And Medications
   I understand that antibiotics and analgesics and other medications can cause allergic reactions causing redness and swelling of tissues, pain, itching, vomiting and/or anaphylactic shock (severe allergic reaction)
   2. initial___
3. Changes In Treatment Plan
   I understand that during treatment it may be necessary to change and or add procedures because of conditions found while working on the teeth that were not discovered during examination, the most common being root canal therapy following routine restorative procedures. I give my permission to the Dentist to make any/all changes and additions as necessary.
   3. initial___
4. Removal of Teeth
   Alternatives to removal of teeth have been explained to me (root canal Therapy, crowns and periodontal surgery, etc.) and I authorize the Dentist to remove the following teeth _______ and any others necessary for reasons in paragraph #3. I understand removing teeth does not always remove all the infection, if present and it may be necessary to undergo further treatment. I understand there are risks involved in having teeth removed, some of which are pain, swelling, spread of infection, dry socket, fractured jaw, loss of feeling in my teeth , lips, tongue and surrounding tissue (Parasthesia) that can last for indefinite period of time (days or months). I understand that I may need further treatment by a specialist or even hospitalization if complications arise during or following treatment, the cost of which is my responsibility.
   4. initial___
5. Crowns Bridges and Caps
   I understand that sometimes it is not possible to match the color of natural teeth with artificial teeth. I further understand that I may be wearing temporary crowns, which may come off easily and that I must be careful to ensure that they are kept on until the permanent crowns are delivered. I realize the final opportunity to make changes in my crown, bridge, or cap (including shape, fit size, and color) will be at cementation.
   5. initial___
6. Dentures: Complete or Partial
   I realize that full or partial dentures are artificial, constructed of plastic or metal and/or porcelain. The problems of wearing these appliances have been explained to me; include looseness, soreness and possible breakage. I realize the final opportunity to make changes in any new dentures (including shape, fit, size, placement, and color) will be the "wax try in." I understand that most dentures require relining approximately three to twelve months after initial placement. The cost for this is not included in the denture fee.
   6. initial___
7. Endodontic Treatment
   I realize there is no guarantee that a root canal treatment will save my tooth, and that complications can occur for the treatment, and that occasionally metal objects are cemented in the tooth or extend through the root, which does not necessarily affect the success of the treatment. I understand that occasionally additional surgical procedures may be necessary following root canal treatment (apicoectomy).
   7. initial___
8. Periodontal Loss (tissue and Bone)
   I understand that I have a serious condition, causing gum and bone infection or loss and that it can lead to the loss of my teeth. Alternative treatment plans have been explained to me, including gum surgery, replacement and/or extractions. I understand that undertaking any dental procedures may have a future adverse effect on my periodontal condition.
   8. initial___

I understand that dentistry is not an exact science, therefore, reputable practitioners cannot fully guarantee results. I acknowledge that no guarantee or assurance has been made by anyone regarding the dental treatment, which I have requested and authorized. I have had the opportunity to read this form and ask questions. My questions have been answered to my satisfaction. I consent to the proposed treatment.
